

Aerial imagery waiver for tracing for OpenStreetMap

For clarity and without limiting any other rights granted, with respect to any imagery Airborne Research Australia has released or releases in the future under a CC BY, CC BY-NC, or CC BY-SA license, Airborne Research South Australia Limited, trading as ARA - Airborne Research Australia waives any and all conditions of the license that could conflict with or prohibit free and unencumbered use of that imagery to derive or extract data, including without limitation tracing and vector feature extraction, and/or to produce derivative vector datasets, in each case for purpose of contribution to OpenStreetMap, and Airborne Research South Australia Limited expressly disclaims any rights in, or use conditions on, such derived or extracted data.
